Update Your Profile

We ask all European Chapter members to update their profiles on the website www.fbinaa.org.

In this time of pandemic, the fact that we were unable to meet in Tallinn in September 2020 makes it even more imperative to have a complete address book of affiliates.

Then update your profile by entering your email address that you prefer to be used to send You correspondence, Your phone number (possibly a cell phone) as well as a photo of Yourself.

We also encourage members to download the "FBINAA Connect APP" for immediate updates, &/or add a secondary email address to your profile. Moreover You can easily communicate with all members around the world regardless of which mobile phone You are using.

We make members aware many agency spam filters have increased due to cyber vulnerability issues this year.

Book Presentation

The former Special Agent Bob Pence published the book „My Non-Political FBI - From Hoover to a Violent America“.

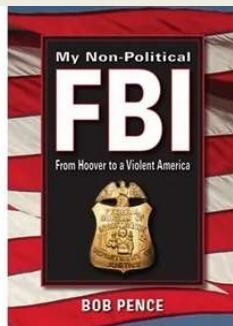

Bob Pence is within the European Chapter well-known, as he attended very often our Retraining Sessions in Europe.

The book is an informative and loving look at the Bureau and the Special Agents who serve there.

Bob also devotes a chapter on the EC-Retrainer in Salzburg in 2015. He especially mentioned the many highlights of this conference.

He particularly emphasized the event in the Stieglkeller: "The entertainment was an Elvis Presley tribute artist with the stage name of Rusty, who frankly was the best Elvis impersonator, considering voice and appearance, whom I have ever experienced!"
